OUR MISSION

ABOUT THE PROGRAM

Leadership Greater Galesburg selects a diverse group of people to participate in monthly workshops.

Commitment to participating in Leadership Greater Galesburg centers on involvement. Attendance is expected at all sessions and participants are encouraged to be actively involved. This applies not only to all sessions, but also to the completion of the preparatory assignments. Even though emergencies do arise, any participant missing more than one session, for whatever reason, may be asked to withdraw from the program and no portion of the tuition shall be refunded. If you know of conflicts at this point, it may not be in your best interest to apply at this time.

The program is not a starting point, but rather a learning process for men and women who are both aspiring and acknowledged leaders. Completion of the program year does not signify the end, but represents the beginning of a lifetime of opportunity as part of the Leadership Greater Galesburg Alumni network.
